EXHIBIT B- THE WAYBACK MACHINE'S
CAPTURE OF THE ARCANES 10-YEAR
ANNIVERSARY VIDEO

[MARC WOLSTENHOLME]

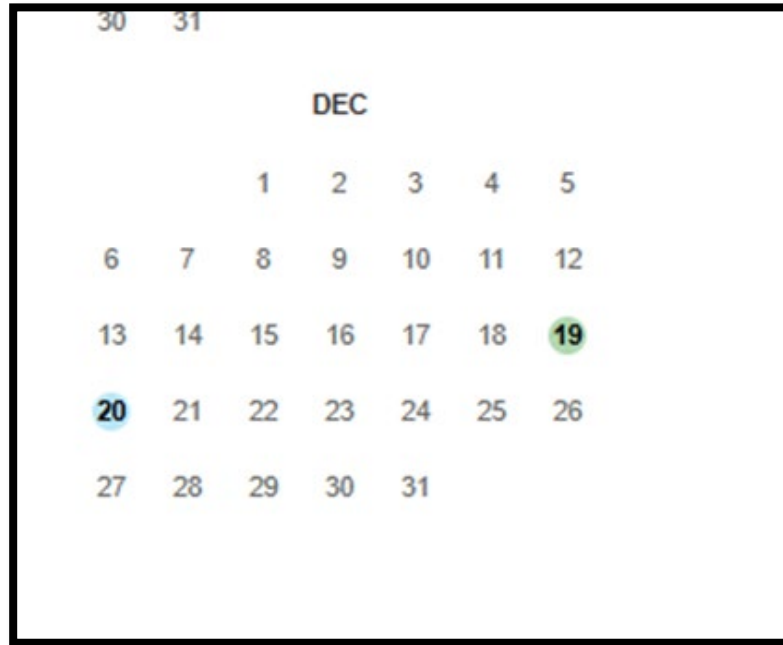

The Wayback Machine's capture of the Arcane 10-Year Anniversary Video, a key promotional event for the series, which does not appear in the archive until December 19–20, 2020, despite Riot's claim that Arcane was announced in October 2019 as part of its League of Legends 10-year celebration. If Riot contends that the absence of Forge portal records on the Wayback Machine undermines Plaintiff's claims, then it must also explain how its own flagship Arcane promotional content, apparently widely marketed and circulated, was not captured for over a year.
